

Visitor directions to the Translational Research Institute

TRI is located within the Princess Alexandra Hospital grounds, Woolloongabba.

TRI is essentially a car-free facility—transport and short-term parking options for visitors to TRI are outlined below.

If you are driving:

- The closest metered street parks are on Cornwall Street (n) and Kent Street (j)
- Secure, undercover parking is available at:
 - [Metro multi-story car park](#) (c) located on city side of the PA Hospital, on the corner of Ipswich Road and O'Keefe Street. Walk to TRI via the pink or blue routes on the attached map.
 - [UQ PACE](#) secure car park (m), entrance via Kent Street beside the Dutton Park Railway Station. Walk to TRI via the green route on the attached map.

If you are travelling by taxi:

- Yellow Cabs have directions to TRI—telephone 13 19 24 and quote the template “TRIB”
- The passenger set-down for TRI is on Diamantina Road West—Take PAH Gate 4 off Ipswich Road (h)

If you arrive by bus:

- Disembark at the PAH busway platform (a)
- Walk to TRI via the pink or blue route on the attached map

If you arrive by train:

- Disembark at Dutton Park Railway Station (l)
- Walk to TRI via the green route on the attached map

Please note that Level 2 is the entry level and ground floor, where Reception is located

Directions to TRI

Take Gate 4 off Ipswich Road. The road indicated in yellow is connected to the PA Hospital multi-story carpark and the drop-off point at the front entrance of TRI. The walking route to TRI is indicated in pink from the PA Hospital multi-story carpark and also blue through the main hospital.
